

## Clean Room HEPA Filter Assembly

### Adapting Manufacturing Operations to Produce Medical Supplies in Response to Covid-19

As the demand for medical supplies increases across the world, manufacturing facilities are doing everything they can to help. Facilities are aiming to adapt their existing operations to manufacture medical supplies. Our customers from all industries are actively looking for solutions that allow them to adjust, reconfigure, or add operational pieces so that they can produce medical supplies quickly.

With over 500 field and lab-based technical experts around the world, H.B. Fuller is here to help. Experts are ready to help identify creative ways to adapt your operations and provide the right adhesive solution to meet your needs.

#### Filter Assembly

**TL-0587** and **2061-US** are urethane potting materials that provide ideal performance for HEPA filter potting, clean room filter and general filter assembly.

Apply TL-0587 and 2061-US around the frame to pot the edges and underneath the box filter.

**TL-0587** is a low viscosity, fast curing flexible urethane for HEPA filter potting, clean room filters, and other filter assembly.

**2061-US** is a low outgassing material suitable for many HEPA filter potting clean room filtration and filter assembly. This flame-retardant material features a low viscosity and relatively fast cure for ease of handling and quick processing.

# Our High-Performance Adhesives Provide a Reliable Solution for Clean Room HEPA Filter Assembly.

**2061-US** is supplied in totes and **TL0587** is offered in drums and totes.

Automatic two-part meter mix equipment can be used to apply **TL0587** and **2061-US**.

## We are here for you.

Our thousands of scientists, application specialists, factory workers and customer support personnel at our facilities around the world continue to meet the needs of our customers during this disruptive time. Our adhesives enable manufacturers to produce medical devices, personal hygiene products, food products, filtration devices, tissue paper, baby diapers, bottled water and so much more. If you're concerned about supply or are not getting your needs met, call on us to help.

**Ask H.B. Fuller how we can help expedite your operational changes and deliver solutions.**

## ABOUT H.B. FULLER

Since 1887, H.B. Fuller has been a leading global adhesives provider focusing on perfecting adhesives, sealants and other specialty chemical products to improve products and lives. H.B. Fuller's commitment to innovation brings together people, products and processes that answer and solve some of the world's biggest challenges. Our reliable, responsive service creates lasting, rewarding connections with customers in electronics, disposable hygiene, medical, transportation, aerospace, clean energy, packaging, construction, woodworking, general industries and other consumer businesses. And, our promise to our people connects them with opportunities to innovate and thrive. For more information, visit us at [hbfuller.com](http://hbfuller.com).
